Name_____

Algebra 2 Homework Log #5. You must keep track of this on your own. You will turn this in at the end of the unit. You only get **one** copy! If you lose this, the grades will be a 0 in the gradebook. All assignments checked for completion INCLUDING work shown. No late work will be accepted.

Date assigned	Assignment topic(s)	Grade received
3/9	Factoring sum/difference of cubes and quartic trinomials	
3/10	Factoring by grouping	
3/11	Solving polynomials by factoring day 1	
3/12	Solving polynomials by factoring day 2	
3/13	Remainder theorem and factor theorem	
3/16	Rational zeros theorem	
3/17	Irrational/complex zeros theorem	
3/18	Writing polynomials given zeros	
3/19	Unit test review (turn in)
